PERFECT PRO

ROCKBOX

A no-nonsense jobsite radio that does exactly what it 'says on the tin', the Rockbox delivers high-quality sound for most work settings: perfect for indoors and at a relatively close distance outdoors.

WWW.PERFECTPRO.EU

PERFECTPRO
ROCKBOX

No-nonsense jobsite radio: high-quality sound from a 4-inch speaker, equipped with all the features you need.

mp3

AUX IN
Need a break from radio? All you need is a basic audio cable to connect any device with a headphone jack and play it on your PerfectPro radio.

FM RADIO

FM RADIO
FM radio is here to stay! Whereas DAB+ radio reception can be tricky in large buildings or remote areas, there's always good old FM to back you up. Problem solved – as all our radios have FM capabilities.

LONG-PLAYER RECHARGEABLE

INTERNAL CHARGER
This radio has only an internal charger. This charges the battery pack when the device is connected to the mains. Also charges while playing!

PERFECTPRO ROCKBOX

dab+

DAB+
The genuine 21st-century digital radio, as clear as a bell and as user-friendly as it gets. If there's no coverage, you can simply switch to trusty old FM.

Bluetooth

BLUETOOTH
Transform your radio into a high-quality Bluetooth speaker and listen to your own audio thanks to the Bluetooth interface. You can play anything from your computer or phone directly on your radio.

Lasts an entire workday on the optional universal NiMH batteries
